Melendez vs. Rockaway Maintenance, et, al. | Case No.: 22-cv-10679 (LJL)
Re: Second Request for Extension of Time to File Motion

Dear Judge Liman:

My firm represents the Defendants in the above-referenced action. We write this letter pursuant to Rule 1.D of Your Honor's Individual Practices to respectfully request a short extension of time – *3 business days* - to submit Defendant's Motion for Summary Judgment to April 25, 2023..

This is Defendants *second* request for such extension.

This request comes at the last minute due to the undersigned's optimism to be able to timely file in accordance with the previous extension date.¹ There is no opposing counsel; Plaintiff is pro se and has failed to appear for the last two conferences.

We thank the Court for its understanding and consideration of this matter.

Respectfully submitted,

STERN LAW GROUP
